VOL. 10 NO. 9 WEDNESDAY, APRIL 9, 1969 10¢ PER COPY

Mill rate awaits province's move

It may be the end of May before residents of St. Albert get the news—good or bad—regarding their 1969 tax bills.

The town has held its levy for municipal purposes at 27, the same as 1968, but the two school boards are still to be heard from.

They can't make a move until they find out from the provincial government what they will receive in grants under the foundation program.

Roy White, secretary-treasurer of the St. Albert Protestant Separate School District, said Tuesday the situation was the same across the province.

He said the government usually announced the grants around the end of April, and only then could the boards begin to budget.

He said it could conceivably run another month after that before the budget was set.

The mill rate of 78 for 1968 was struck at a council meeting on May 27. It included 45 mills for education, 23.95 under the Foundation Program and 21.05 supplementary, and 5.96 mills for hospital and health.

Banquet for cadets

The annual air cadet-parent dinner will be held in the Club Mocombo at 6:30 p.m. Tuesday, April 15.

Besides cadets and their parents (both mother and father) and officers of the squadron, an invitation has been issued to all former cadets, officers and instructors.

The St. Albert Lions Club, sponsors of the squadron, cover the cadets' expenses at the banquet. Parents and former cadets and officers are asked to purchase tickets (\$2) at the door.

Rod Thordson, Lions president, asks that anyone wishing to attend phone 599-6296. He asks that if parents are unable to attend, that they see that their sons are there as the club will arrange for a substitute father for the night.

Minister of Highways Gordon Taylor will be the guest speaker.

Ooohh, that feels great. A little cold, maybe, but great. Debbie Pudlowski stands in a pile of snow to cool feet that had just pounded the pavement from Morinville to St. Albert, a distance of 12 miles. Roger Meunier (left) and Hans Commandeur feel the treatment is a little too extreme and instead employ a gentle massage. The three had just taken part in a walk organized by the St. Albert High School Movers to raise funds for Share A Lent. Roger, 12, was the first of about 160 participants to complete the walk.

Flying scholarship result of campaign

It will be up, up and away for several members of the St. Albert Air Cadet Squadron 533 again this summer.

One member will receive a scholarship (valued at about \$600) to obtain his private pilot's license and those attending summer camp at Canadian Forces Base Penhold will get a chance to learn to fly gliders.

The cadets teamed with members of the St. Albert Lions Club, their sponsors, to earn the flying scholarship.

They won it by topping Alberta, the Yukon and the Northwest Territories in their annual fund-raising raffles.

The St. Albert group sold 3,471 tickets, an average of 80.72 per cadet.

The St. Albert Kinsmen and the 5th St. Albert Cubs and Scouts are again co-operating on a Green-Up campaign.

The Cubs will be distributing flyers tonight with

Whitehorse Squadron 551 was the runner-up with 1,842 tickets sold, an average of 48.47 per cadet.

Bon Accord Squadron received honorable mention, selling 22.84 tickets per cadet.

The trip to Hawaii offered by the St. Albert squadron was won by G. H. Barnes of Montreal.

H. J. Winfield of Jasper provincial air cadet chairman, singled out Dr. William Cuts of St. Albert for praise after the fund-raising campaign, presenting him with a framed Royal Canadian Air Cadet crest "In appreciation of your outstanding efforts in support of air cadets."

Dr. Cuts sold 884 tickets last year and 384 this year.

Report on Nickerson won't be made public

A remedial report Mrs. Muriel Martin prepared for the St. Albert Protestant Separate School Board on the problems at Leo Nickerson Elementary School will not be made public.

Chairman Charles Schroder said Tuesday night the board had decided against

making the report public as it contained comments on some staff members.

Mrs. Martin, supervisor of elementary education with the district, was temporarily assigned to the school following the announcement by Principal Joseph Garber that he and

his wife, Thelma, also a teacher at the school, had resigned effective August 31.

The Garbers, however, decided to leave early and Mr. Garber is now on leave of absence. Mrs. Garber's resignation was effective March 28.

Mr. Schroder did reveal some of the recommendations of Mrs. Martin's report.

She had recommended that a new principal be appointed at least two months before the end of the term.

The board didn't wait that long, appointing Lowell Thordson to the post last week. Mr. Thordson, however, will not take over until May 1 as he is on sabbatical leave attending the University of Alberta.

Mrs. Martin also recommended:

1. Discontinuation of the activities periods, suggesting that more emphasis be placed on the language arts;
2. A minor shuffling of the roles of some teachers;
3. Development by the teachers of a school philosophy, providing aims and goals. (The Alberta Teachers Association has offered to assist in this.)

Budget course scheduled

A four-week series on credit buying and budget counselling is planned for St. Albert.

The series will begin April 18 at 8 p.m. in Sir George Simpson Junior High School and continue on April 25, May 2 and May 9.

Elmer Harrison, preventive social services director for St. Albert, said Monday the course will give people an insight into what is in the fine print of contracts they sign.

It will examine what they buy, rates of interest they will pay and what the terms are. It will also show them how to set up sensible budgets.

The series is being sponsored by the Ministerial Association of St. Albert as a community service. There will not be a charge.

"The ministerial association was the first to recognize the need for such a series," Mr. Harrison said, "because they are often approached by people facing these kind of problems."

Guest lecturers for the series will be Gerry Tookey of the Canadian Creditmen's Association; Mrs. Frynack, district home economist at Morinville; Lorne McKinstry, a teacher at Paul Kane High School; and Al London of the Bank of Montreal.

Statement unfair claims chairman

A charge by Joseph Garber, former principal of Leo Nickerson Elementary School, that there is something wrong in the whole St. Albert Protestant Separate School District, has brought replies from the board chairman and school superintendent.

Charles Schroder and Dr. J. W. Chalmers admit in letters to The Gazette that there have been problems but they deny they ever reached the proportions "implied" in the article in The Gazette last week.

Their letters follow:

Dear Sir;

The board of the Protestant Separate School District No. 6 is extremely concerned with certain implications made in the April 2 issue of The Gazette.

The statement that "something is wrong with the whole system" is entirely unfair to the excellent educators in our district, and comes as a complete surprise to the board.

No such indication has come to the Board; we do maintain close contact with the principals of our other schools.

The School Act states that the principals in consulta-

tion with the superintendent shall (a) allocate the duties of the teachers in his school, and (b) be responsible for the organization and general discipline of his school.

The board has been concerned for some time over the educational climate at the Leo Nickerson school. Efforts to improve this have been under way since January and are continuing.

As a result of and at his request, Mr. Garber's resignation effective Aug. 31, 1969 and leave of absence effective March 28, 1969 have been accepted by the Board.

Charles E. Schroder, Chairman
Board of Trustees.

EDITOR: The Gazette

On behalf of the professional staff of the St. Albert Protestant Separate School District No. 6, I should like to take issue with your report in your issue of April 2 which suggests that in at least one person's opinion there is "something... wrong in the whole (Protestant school) system."

In my opinion, our school system has an administrative and instructional staff above average in professional preparation, in drive and enthusiasm, in commitment to their calling, in inter-staff harmony and co-operation, in effectiveness in teaching.

To claim that no problems ever arise in the schools would be blatantly egregious, but by and large, as such problems arise, they are dealt with swiftly and effectively.

Occasionally, when the necessity for staff changes arises for the good of a school, such changes are made after very careful consideration of the particular circumstances and after the staff members have had an opportunity to present their case to the superintendent and/or the school board.

I note you quote from me from "a letter to be sent to the parents via the students". No such letter was sent.

Dr. J. W. Chalmers
Superintendent.

Editor's note: Dr. Chalmers is correct. The letter was not sent out. However, some copies did get loose, such as the one that came to The Gazette.

Parents plan farewell for teachers

A committee of parents is planning a farewell party for Mr. and Mrs. Joseph Garber in appreciation of their years of service at Leo Nickerson Elementary School.

Tentative plans call for the party to be held in the gymnasium of the Leo Nickerson School at 7:30 p.m. April 16.

Anyone interested in contributing towards a gift is asked to call 599-6812, 599-7496 or 599-6397.

It was registration night for the Atom division of the Hercules Sports Association's soccer section in the Clubhouse last week. Brian O'Keefe (left) coach of the midget team last year, and Mr. and Mrs. Lloyd Hopkins process some of the 119 future stars who registered. Members of last year's bantam team (to 14 years of age) assisted in registering the Atoms (to 10 years of age). Pee-wees, bantams and midgets registered Tuesday at the same spot.

ARTS & CRAFTS GUILD

The exhibition of the work accomplished by children who attended classes sponsored by the guild continues to be on display in the Library all this week. The display is on view during normal library hours and is well worth a special visit. St. Albert may well be proud of the young artists and craftsmen who attended Mrs. L. Shelemey's painting class, Mrs. Graft's preschool craft class and the arts and crafts classes taught by Mrs. Bakker and Mrs. Randall.

SOCCER

After two evenings of soccer registration held by the Hercules Sports Association, it is very evident that more coaches will be required if all the boys wishing to play soccer are going to have an opportunity to do so. So fathers and soccer fans, don't let the boys down. If you know anything about soccer, volunteer your services and even if you don't, volunteer anyway - managers are urgently needed. Mrs. Kay Hopkins at 599-7887 will be very pleased to hear from you.

Soccer in St. Albert has been growing by leaps and bounds over the past few years and this coming season it promises to be bigger and better than ever. Boys who missed the two registrations and who want to play soccer should phone Mr. Lloyd Hopkins, soccer director, at 599-7887 before Friday, April 18 - the deadline for registering.

GOLF

April 2 was the last golf lesson to be held indoors. The final lesson of the series will be held on April 16 at the Sturgeon Valley Golf and Country Club when, through courtesy of the board of directors of the club, Mike Tomash will instruct the class on the finer points of "pitch and putt." Both classes will be held on that evening at the same time - from 6:30 to 7:30 p.m.

YMCA

People interested in playing chess are reminded of the meeting to be held at the United Church on Thursday, April 10 at 7:30 p.m. Both young people and adults welcome.

ASTRONOMY

Father Spicer and Sister Mary Laurence will speak on "Changes in the Church" on Monday, April 14, at 8 p.m. in the basement of

the Catholic Church.

There will also be a panel discussion and a question period will follow.

The evening is being sponsored by the Education Committee of the Parish Council.

Planetarium

Hours

During the Easter Holidays the Queen Elizabeth Planetarium will have a special holiday schedule. They will be open from 3 p.m. to 8 p.m. Wednesday, Thursday and Friday this week.

The program "The Signs of the Zodiac" explains the apparent motion of the Sun during the year. A few of the zodiacal constellations are discussed from the ancient mythology to the modern day objects of interest found within their boundaries.

Canvass planned in aid of arena

A house-to-house canvass is planned to gather support for a covered arena for St. Albert.

It is hoped the canvass will produce a cash donation or an offer to volunteer labor.

The St. Albert and District Arena Fund stands at \$4,500 to date, well shy of the target of \$60,000. It was originally hoped for a summer start on the project to ensure its use for next winter. Success or failure could well hinge on the response to the canvass.

The committee decided to seek out volunteer labor as it was felt a lot of residents would be able to donate time much easier than cash. Also, savings could be effected by employing volunteer labor at certain stages of the project.

The Chamber of Com-

merce hopes to raise \$1,000 for the arena on a call donated by M.L.A. Keith Everett.

Several members of a local service club are planning to have the club take on the major project of obtaining an ice plant.

Chinese auctions are starting to become the thing at many local functions. Nearly \$50 was raised at a dance following the St. Albert Savings and Credit Union's annual meeting and \$44 was realized at the Central Hockey Club's annual bazaar.

The St. Albert Figure Skating Club has sweetened the pot to \$100, remembering the many cold days it could not function last winter.

Eddie Joyal, a local boy who is making his mark in the National Hockey League, recently donated \$100.

Local boxing club's officials suspended

Three officials of the St. Albert Boxing Club have been suspended by the Alberta Branch of the Amateur Athletic Union of Canada.

Club Instructor Brian Jelley and Del Larsen are suspended for six months and Frank Kelly for three months for their roles in running an unsanctioned card in St. Albert on March 22.

The suspensions were announced Saturday by a five-member board of inquiry following a hearing in the Central YMCA in Edmonton.

All referees, judges and timers at the card plus adult handlers from three clubs, St. Albert, Sherwood Park and St. Matthews, were also suspended for three months.

None of the fighters, all 16 years or younger, were suspended.

The AAU officials who had pulled the sanction for the St. Albert card claimed the St. Albert club was consistently flouting the rules.

They said Paul Jelley should not have been allowed to fight on the card as he had been knocked out during the Golden Gloves tournament in Edmonton and had not sat out the required 30 days.

They said each boxer was not examined by a doctor immediately after stepping out of the ring.

The officials also claimed St. Albert used its own referees on the card, contravening a ruling which says the AAU will supply referees.

"We had had trouble with hometown referees and judges being partial," Keith Wilson, a member of the boxing committee, said, "so we made the rule that all clubs must come to the AAU for them."

"St. Albert wouldn't go along with this and this brought things to a head. We wanted to talk things over but they wouldn't come to a meeting so we had no choice but to pull the sanction."

Boxing week April 12-21

Boxing week in Alberta this year will get a long count.

The boxing committee of the Alberta Branch of Amateur Athletic Union of Canada has declared April 12 to 21 to be Boxing week. They extended the week to nine days so it would open with the southern eliminations at Rocky Mountain House on April 12 and close with the International card in the Kinsmen Field House on April 21.

Fire Dept. loses 5-1 at Ardrossan

St. Albert Fire Department's Peewee Hockey Club suffered a 5-1 defeat at Ardrossan on Saturday afternoon.

Ardrossan took a 2-0 lead in the first period and jumped it to 4-0 in the second.

Fire Department got on the scoreboard early in the third but Ardrossan abruptly shut the door and scored the last goal of the period themselves.

Terry Kieser scored the Fire Department's goal, banging in Brian Bedell's rebound after they had broke in alone on the goalie.

Fire Department is taking part in a tournament at Westlock this week.

250 attend Comets' wind-up banquet

St. Albert Comets wound up one of their most successful seasons Saturday with an awards night and banquet in the Community League Hall.

Comets, champions of the Sturgeon River Senior Hockey League, play their home games in Morinville because their is no arena in St. Albert.

Team officials said solid support was received throughout the year, with many fans taking in games that the team played in other centres as well.

The team honored one of the fans Saturday night. Bob Mulloy, an American who took up residence in St. Albert last year and whose face became well known at all Comet games this past winter, was presented with a hockey stick autographed by team members.

Mulloy took over as coach of St. Albert Oilers Baseball Club at mid-season last summer.

Players and fans numbering 250 attended the wind-up banquet.

Ray Bussche and Rene Brodeur received awards as top goalies in the league.

There were also several team awards given out, awards which the players decided themselves.

Comets chose defence-man Richie Perreault as their most valuable player. Perreault, besides being a solid defender, adds to the offence with a blistering shot that produced a fair number of goals over the season.

Ron Yanoak was voted the top defensive player on the team and Dave Joyal took the honors as the player showing the best sportsmanship with a high degree of

playing ability.

Fred Hesse received the trophy as the team's top point-getter. Actually, he and Joe Cassidy tied, each with 33, but Hesse was awarded

the prize on the strength of his team-leading 19 goals.

The club raised \$144 for the arena fund by holding a Chinese auction during the evening.

planning your new home today...

think about the phones you want tomorrow...

If you're building or remodeling a home it should be pre-wired now with telephone outlets located in strategic living areas. Then after you've moved in, you can add phones as you need them. Where you need them. Without the additional cost and fuss of running wires or conduit to hard-to-reach places. Pre-wiring at the construction stage is absolutely free. One more big advantage. Unsightly wires are hidden within walls, leaving the beauty and decor of your rooms unmarred by "after-thought" wiring.

Keep tomorrow's needs in mind and let Alberta Government Telephones help you plan ahead. Use their free pre-wiring service. Just phone AGT's Architects, Engineers & Builders Consulting Service. In Calgary 262-8611. In Edmonton 229-1998. Please call collect.

4-H CLUB ACTIVITIES

On Friday, March 28, the Alcomdale 4-H Clothing Club held its annual local public speaking competition at Independence Hall.

Master of ceremonies, Nell Cameron, opened the evening with the 4-H pledge. Then each of the twelve speakers gave a four to six minute prepared speech and a one to two minute impromptu speech. First place winner was Elaine Tomten, who

spoke on "Our Destiny." Dawnne Brennells, speaking on "The Strongest Bridge" placed second, and Lorraine Spargo, who spoke on "Julius Caesar" won an honorable mention.

The club wishes to extend its thanks to the judges of the evening, Miss Norma Rigney, Mr. Melvin Clark, and Mr. Richard Friedrich. Also to the Independence WI for sponsoring the speaking off and to the Alcomdale Community League for donating the trophies.

PUBLIC NOTICE Town of Morinville

Pursuant to the provisions of Section 145 of the Municipal Taxation Act, Public Notice is hereby given that the Council of the Town of Morinville intends to undertake the construction of Street Grading and Graveling as a first step toward future paving and the construction of concrete Curb and Gutter as a local improvement. The estimated cost of Grading and Graveling is \$82,800 repayable over a period of fifteen (15) years at a rate of interest not exceeding 8% per annum and to charge the lands abutting that portion of the street or place wherein the local improvement is made at a uniform rate of twenty (20) cents per foot of frontage over the said period of fifteen (15) years. The estimated cost of Concrete Curb and Gutter is \$98,300 repayable over a period of twenty (20) years at a rate of interest not exceeding 8% per annum and to charge the lands abutting that portion of the street or place wherein the local improvement is made at a uniform rate of thirty-two (32) cents per foot of frontage over the said period of twenty (20) years.

All costs in excess of the aforementioned rates per front foot will be borne by the Town at large.

Legal 4-H Clothing Club public speaking winners. The club is sponsored by the Christian Ladies. Trophies were presented by Mrs. Leo Maurier, Mrs. Eddy Rivard and Mrs. Leo de Champlain. Winners from left to right are: Rita Larose, Rita Tieulle and Margo Montpetit.

4-H CLUB ACTIVITIES

The Recreation Centre was packed with an interested audience on Friday evening for the Legal 4-H Clothing Club public speaking competition. Seventeen members participated with the exception of one who was absent. All members had high quality speeches and rendered them very well. The adjudicators for the competition were Mr. Robert Holzer, Mrs. Rachel Caouette from St. Albert and Mrs. Germaine Nault. Coffee and donuts were served while the adjudicators evaluated the score sheets.

Mr. Holzer then gave some general comments and helpful pointers were given

to each individual to improve themselves.

The winners were first, Rita Larose who spoke on the "Delightful Game of Conversation;" second was Rita Tieulle - "The Old and the New;" third was Margo Montpetit - "How to Plan a Wardrobe." Honorable mention went to Rachelle St. Martin - "Mystery to All;" and Lorraine de Champlain "How to Dress".

The 4-H Club is sponsored by the Christian Ladies. Three of the members presented the winners with beautiful engraved trophies. All the members should be commended for their interesting speeches and the sincerity in which they were presented.

GIBBONS

4-H CLUB ACTIVITIES

The Gibbons 4-H Garden Club held its annual public speaking competitions in the Gibbons school gym on Thursday, March 27, with 12 members competing.

Each member gave a prepared speech of 4-6 minutes and an impromptu of 1-2 minutes.

The topics varied as: Edith Paradis spoke on "Poverty - Our World Crisis;" Johnny Allison, "Conservation;" Susie Allison, "Women in Government;" Cindy Allison, "Camping;" Barbara Paradis, "Success and Happiness;" Linda Lamoureux, "The Value of Human Life;" Richard Visscher, "Snowmobiles - The Cats that Conquered the North;" Harvey Visscher, "UFO's - What are They?" Jackie Blom, "Hippies are Dead;" Sharon Visscher, "Black or White?" Kathy Visscher, "Parents;" and Judy Demers enlightened us on "TV Commercials."

First place went to Edith Paradis a fourth year member. Harvey Visscher, a first year member, placed 2nd and another first year member, Judy Demers, received honorable mention.

The judges were: Mrs. Linda Bland, a former 4-H member; Gerry Woytak, psychology student at the University of Alberta; and Mr. Kondruk, principal of Gibbons School. Timakeeper for the evening was Mrs. Judy Woytak.

The best speaker in the club will go on to speak in the county finals in Morinville during Easter holidays and this year the best boy speaker in the club will go on to further competitions too.

Harvey will speak in a oratorical competition sponsored by the Optimist International on April 21 at the Beverly Crest Motor Hotel. Support for these two speakers would be greatly appreciated.

The 4-H club would like to congratulate Barbara Paradis who took part in the second annual North-West Regional Bonspiel in Barrhead on Saturday. Barb's team walked away with first place.

We would also like to take the opportunity to invite the public to our rummage sale to be held in the Gibbons Hall May 3.

Election of Officers

Henry Terrault was returned as president of the St. Albert Community League for a 25th term when the league held its annual meeting in the hall recently.

Ann Kampen was also returned as vice-president.

Elected to the board were:

Elmer Harrison, Marcel De Champlain, Albert Lesburg, Mrs. Bertha Dubois, Mrs. Alice Kluthe, Walter Stegke, Mrs. Astrid Roberts, Johnny Dubois, Gordon

Kirby and Mrs. Marie Hayden.

Mrs. Lucille De Champlain was reappointed secretary-treasurer.

Lorne Aikens, a life member of the league, paid tribute to Mr. Terrault for his long and valued service. Mr. Terrault has been an executive member for 30 years.

The league recently completed renovations to the hall. A new heating system was installed, a new sound system set up, new lights put in, and the basement finished.

One of the league's main upcoming functions will be an "Old Timers' Night in June."

Vinyl wallpaper makes strides

Among the newest of scrubbable vinyl wallpapers is "Vymura", a product of England sold through Canada by CIL, Strong enough to withstand tearing, yet supple enough to handle easily, "Vymura" is attached to the wall with a special adhesive. Not only does this adhesive hasten the job of wallhanging, it also makes it simple to strip the paper off the wall later. . . an advantage for people who redecorate often.

These improvements have been made to meet the needs of modern living, but the original purposes of paper as a wall covering have remained the same — to provide exactly the right background for furniture, to create a mood or to counteract architectural defects.

When the first paper wall hangings were produced in the 16th century they were inexpensive substitutes for the costly and sumptuous hangings of brocades, stamped leathers, and tapestries used in great houses both as a decoration and to keep the cold out. The first rolls were produced in 1760 by pasting 15 inch square sheets together — 24 sheets to a roll — then printing a pattern on them by letter press. Each roll was about 34 feet long and the paper was nailed to the wall with

REPEAT steps 3 and 4 continuously. IF AIR PASSAGES ARE NOT OPEN: CHECK neck and head positions. CLEAR mouth and throat of foreign substances. Start immediately. Don't give up. Send someone for a doctor. For infants and children, cover entire mouth and nose with your mouth. Use small puffs of air about 70 times per minute. Apply rescue breathing in case of DROWNING, CHOKING, ELECTRIC SHOCK, HEART ATTACK, SUFFOCATION and GAS POISONING.

Bells on clothing were popular in Germany during the 1300's, when gentlemen went dinking about the countryside with their clothes trimmed with hundreds of little bells.

flat-headed nails . . . for eternity! In contrast, "Vymura" rolls are 11 yards long and 21 inches wide, hanging it is a snap, and the strings are removable simply by lifting a corner.

New CPA Boeing 737 Gives Daily Canada-Wide Service

Despite its appearance— which gives one the impression of an overstuffed pelican rather than a graceful gull— CPA Air's new Boeing 737 twin-engine aircraft will give a great deal of pleasure to the northward or trans-Canada-bound air traveler.

At least that was the consensus of the more than 175 persons who were given a

"free ride" in the airline's latest acquisition last Friday. Two flights of newmen and others connected with the travel business were taken on one-hour circle flights from the International Airport over Wabunan, Pigeon Lake, West-askwin, east Edmonton and back to Nisku.

The special flights were held to mark the beginning of daily service linking Edmon-

ton with major cities from Vancouver to Montreal. Until this week, CPA's service had been restricted to three times a week in each direction. The new medium-range jetliners, which have been in service on their northern route to Whitehorse since late 1965, will be used on the trans-Canada schedules.

The new schedules reflect a steadily-increasing use of the International Airport, which is but a forerunner to the huge jumbo jets and the faster supersonic jet aircraft which will be going into use by airlines in the early 1970's.

Although the Boeing 737 is a

relatively small craft when compared to the stretched version of the DC-8 four engine jet, passengers will find considerably more leg room and comfort in the seats than

HAVE NEWSPAPER, WILL TRAVEL

That's the headline on a recent news item in Canadian Printer and Publisher. It's about David Scott, publisher of the Times-Review, in Fort Erie, Ont., and an idea he has.

It's a switch on the exchange — program or twin-cities idea, David Scott

on the bigger jets. Under CPA Air's configuration, the 737 will carry a maximum of 95 passengers in some instances, and 107 in others.

When delivery has been completed, CP Air (formerly

Canadian Pacific Airlines) will have seven of the twin-jets which cost about five million dollars each. Certainly there will be no mistaking them with CPA's new orange, red and silver color scheme.

Scott's idea is for the publishers to exchange cars and homes, and move the families by air.

This is an idea that might have some possibilities for other townsfolk — mayors and ministers, restaurant chefs and police chiefs, or even you and me.
